**Convener of the „Joint Action Committee“ encompassing over Ten Lakhs of Financial Sector Employees, who struggled for Pension, Late N.M. Sundaram wrote in his “Sharing a Few Thoughts” thus:  
“There is about Pension, a uniqueness which cannot be said about other Retirement Benefits. Being a combination of lump sum payment in the form of Commutation Value and regular Monthly Income after Retirement, Pension has the capacity to give Material Support, Sense of Independence and a „Head High“ existence in Old Age. That makes the achievement all the more gratifying ... Equally Important it is to realize that nowhere in the Public Sector excepting in Insurance and Financial Sector an „Index Linked Pension Scheme“ is in vogue.”**

**NIARAS MUMBAI since its inception in 2019 has been working for the improvement of the Life and Living of the Insurance Pensioners. Due to its“ continuous efforts many issues pertaining to Pension & Group Mediclaim has been resolved successfully to the satisfaction and happiness of the members..  
NIARAS MUMBAI under NFGIE has been steadfast in organizing the Insurance Pensioners, both Life and General to fight for “One More Option” to left over Insurance Retirees. It co-ordinated with all the In-Service Unions of LIC and GIPSA Companies and continuously campaigned and struggled for “Another Option” which could be achieved benefitting more than 42,720 Employees (both Serving and Retired) out of which 24,595 are of LIC and 18,125 are of GIC.**
